## **Corps of Engineers to hold Canyon Lake information meeting**

FORT WORTH, TX – The Fort Worth District, U.S. Army Corps of Engineers, will hold a public information meeting on Tuesday, August 6, to provide current information on the status of debris removal in the outlet works and discuss plans for drawing down Canyon Lake.

This meeting is open to the public but will be focused on the concerns of residents of Horseshoe Falls Estates and residents and business owners upstream and downstream of Canyon Dam in Comal County.

The meeting will be held August 6, from 6:00 to 8:30 p.m., at the Guadalupe Valley Telephone Co-operative Auditorium, 36101 FM Road 3159, in Smithson Valley, Texas. The auditorium is 0.5 mile northeast on FM 3159 from intersection with Texas Highway 46.

Please call 830-885-4411 for other directions.
